

Terms and Conditions of Service

Please read these terms carefully before subscribing to or ordering any services on the platform.

1. SERVICE DESCRIPTION

Cdryko provides professional YouTube thumbnail design services, visual consulting, and digital tool integration. Hiring individual services or subscribing to monthly plans ("Packs") implies full acceptance of the terms outlined in this document.

2. PRICING AND PAYMENT

Current pricing for all services is explicitly stated on the web platform:

- **Single Thumbnail:** Final price is agreed upon in advance between €25 and €50 depending on the complexity required.
- **Basic Pack (€117/month):** Includes 6 monthly thumbnails (an average of 2 per week).
- **Advanced Pack (€340/month):** Includes 12 monthly thumbnails (an average of 4 per week).

All payments are required upfront before design production begins or the first item of an order is delivered.

3. WORKFLOW AND REVISIONS

The client will provide instructions, image assets, and conceptual ideas via chat or the official order form. For both single thumbnails and packs, reasonable revisions covering minor lighting, text, or compositional adjustments are included.

Note on Structural Changes: Radical modifications that depart from the initially agreed concept may incur an additional fee, to be agreed upon in advance via chat.

4. INTELLECTUAL PROPERTY RIGHTS

Upon full payment of the service, the client receives commercial exploitation rights over the final delivered thumbnail for unrestricted use on platforms such as YouTube, Twitch, or social media. Cdryko reserves the right to showcase the created work in portfolios or promotional material unless explicitly agreed otherwise.

5. CANCELLATIONS AND REFUNDS

Due to the custom nature of digital visual design products, refunds are not available once technical development of the thumbnail has begun. For monthly recurring packs, cancellation prevents renewal for the following billing cycle.
